If a cold wave rudely crosses your path you can say "Blow winds, and crack your cheeks," if you have a bottle of Coussens' Honey of Tar, which will cure all the bad colds, coughs, and diseases of the throat and lungs that ever rode on the back of a blizzard. Try Coussens' Honey of Tar, for your cough.

While congratulating those who have the good fortune to be born beautiful, we, on the other hand, pity the household who has not had the good fortune to obtain a paper of J. Monroe Taylor's Gold Medal Sodo or Saleratus. Go immediately to your Grocer and get a paper, and our word for it, you will never use any other. It has been analysed by one of the most distinguished chemists in the country, and pronounced perfectly harmless, and to produce one-eighth more Bread or Biscuit from the same barrel of flour than can be produced with any other; besides it only takes about one-half the quantity. Depot 133 Water street.

Tell me not in mournful numbers that Piles cannot be cured. Use Tabler's Buckeye Ointment and experience the permanent cure which is always effected by this preparation. There are numerous so called remedies: only one Tabler's Buckeye Pile Ointment good for Piles only, but so good for that disease that all sufferers with it need only to use the great remedy.

If we had a whole dictionary of adjectives at our tongues and to use in recommendation of Coussens' Honey of Tar, as a cure for coughs, colds, and diseases of the throat and lungs, we would simply pick out the little word "best" and apply it sincerely to Coussens' Honey of Tar, because it is the only permanent cure for a deep-seated cough or cold upon the lungs.

Two Louisa boys, both bred Sandians, have set examples worthy of emulation by the other young men of the valley.

George and Ben McClure had no heritage save industry, good sense and honesty. Armed with these they began the battle of life and have, so far, fought it successfully. George, who lost his hearing by disease, sought to overcome the infirmity by study at the school for the deaf, and to-day he is an eminent teacher in that institution. Ben chose the profession of medicine, and by diligent study and close application he has become one of the most promising young physicians in the State. Both these young men have led clean, reputable lives, so conducting themselves at home and abroad that all speak well of them.

It must have been a proud and happy moment when their widowed mother saw her two handsome boys bring to the home of their boyhood the handsome and accomplished ladies they had chosen for wives. For on the 26th of last month George McClure was married to Miss Carrie Jasper, of Nicholasville, and Dr. W. B. McClure to Miss Hattie Farris, of Danville, and last Thursday morning they arrived in Louisa for a week's sojourn among their relatives and friends. Mrs. George McClure is deaf and almost mute, but she, like her accomplished husband, is skilled in the use of the sign language and does not seem to miss the sounds of the outer world. Both ladies are bright and engaging in their manners and have won hosts of friends during their short visit to Louisa.

Last evening Mr. and Mrs. T. J. Snyder gave a delightful reception to the newly-wedded couple, at which were present Mr. and Mrs. R. T. Burns, Misses Lizzie and Thursa Burns, Major and Mrs. Burchett, Miss Emma Burchett, Mrs. Lizzie Gunnell, Miss Amanda Yates, Rev. and Mrs. Lauck, Miss Lauck, Dr. and Mrs. Wroten, Judge and Mrs. H. W. Ferguson, Mrs. F. T. D. Wallace, Mr. Alexander Lackey, Mr. and Mrs. Aug. Snyder.

Happiness

results from that true contentment which indicates perfect health of body and mind. You may possess it, if you will purify and invigorate your blood with Ayer's Sarsaparilla. E. M. Howard, Newport, S. H., writes: "I suffered for years with Scrofulous humors. After using two bottles of Ayer's Sarsaparilla, I

Found

great relief. It has entirely restored me to health." James French, Atchison, Kans., writes: "To all persons suffering from Liver Complaint, I would strongly recommend Ayer's Sarsaparilla. I was afflicted with a disease of the liver for nearly two years, when a friend advised me to take this medicine. It gave prompt relief, and has cured me." Mrs. H. M. Kidder, 41 Dwight st., Boston, Mass., writes: "For several years I have used Ayer's Sarsaparilla in my family. I never feel safe, even

At Home

without it. As a liver medicine and general purifier of the blood, it has no equal." Mrs. A. B. Allen, Wintercock, Va., writes: "My youngest child, two years of age, was taken with Bowel Complaint, which we could not cure. We tried many remedies, but he continued to grow worse, and finally became so reduced in flesh that we could only move him upon a pillow. It was suggested by one of the doctors that Scrofula might be the cause of this trouble. We procured a bottle of

AYER'S Sarsaparilla

and commenced giving it to him. It surely worked wonders; for, in a short time, he was completely cured."
